Dear Mr. Roth:

We are pleased to inform you that you have been selected by your peers to be included in the 2007 edition of *The Best Lawyers in America*[®] in the specialty of Product Liability Litigation.

Inclusion in *Best Lawyers*[®] is based on an exhaustive and rigorous peer-review survey that has been developed and refined for nearly 25 years. Because no fee or purchase is required to be listed, inclusion in *Best Lawyers* is considered a singular honor. *Best Lawyers* also publishes an advertisement-free book each year listing all those chosen – something that no other survey does. The current edition of *Best Lawyers* is based on 1.8 million confidential evaluations by the top attorneys in the country. *Best Lawyers* also conducts thousands of telephone interviews with leading attorneys throughout its balloting process.

This year, 23 new specialties have been added to the new edition, bringing the total to 80. Responsiveness to the legal community is one reason why *Best Lawyers* is widely regarded – by both the profession and the public – as the definitive guide to legal excellence in the United States. *Best Lawyers* is the basis of more than 50 “best lawyers” features in regional newspapers and magazines – including this year, for the first time, *The Washington Post* and *The Los Angeles Times*. ALM has chosen our lists to be excerpted in *Corporate Counsel* and other ALM publications, calling *Best Lawyers* “the most respected referral list of attorneys in practice.”

Best Lawyers' online presence continues to grow. In the past year, the site has received more than two and a half million hits and responded to more than 1.4 million requests for lawyer searches, including requests from officers of 71 of the *Fortune* 100 companies and 289 of the *Fortune* 500 companies. 10,583 listed attorneys, representing 1,319 law firms, have linked their firm web pages or bios to BestLawyers.com.

Again, congratulations on being chosen by your fellow peers as one of *The Best Lawyers in America*.

Sincerely,

Steven Naifeh
Editor-in-Chief
